HOLIDAY GUIDE

HAPPY HOLIDAYS

There’s something truly magical about the holiday season in Naples. Twinkling lights draped over palm trees, festive storefronts, and that gentle Gulf breeze that makes December evenings feel just a little more special. We may trade snow boots for sandals, but Naples certainly knows how to celebrate the holidays!

From tree lightings and festive parades to holiday markets, waterfront dining, and the famous “snow” falling on Third Street South, Naples transforms into its own version of a tropical winter wonderland. And there's something wonderful about celebrating the season outdoors, surrounded by family, friends, and a community that truly embraces the holiday spirit.

I’m Vikki Salese, a local real estate advisor, and one of the things I love most about living in Naples is sharing everything that makes this community so special. For me, real estate has always been about more than finding the right home. It’s about discovering a lifestyle you love and all the experiences that come with it.

Whether you're a year-round resident, a seasonal visitor, or experiencing your first Naples holiday, I’ve put together this guide to help you enjoy some of the wonderful traditions, celebrations, and local favorites that make this time of year so memorable.

Wishing you a holiday season filled with warmth, laughter, wonderful memories, and just a little Naples sparkle. ✨

Happy Holidays!
